PBS XML

* Recent changes

* v2.6

    * Released 25th October 2011

    * Chemotherapy

    * Continued Dispensing

PBS XML

- v2.6.1

- 'Housekeeping' changes

PBS XML

- v2.7

- Controlled vocabularies

- Support for text extracts

PBS XML

- v2.7.0.1

- Schematron bug fixes

PBS XML

- Controlled vocabularies

- Specified separately to schema

- Formalises vocabularies and values

- Uses already existing mechanism

PBS XML

* Controlled vocabularies

* Stable vs unstable

PBS XML

* Controlled vocabularies

* Stable vocabularies and values are change-controlled

* See also version control document

  * `spec/vocabularies.xml`
  * `doc/pdf/controlled-vocabularies.pdf`

PBS XML

- Controlled vocabularies

- Unstable vocabularies

- Values may be added from month-to-month

- Once added meaning does not change

- Additional data, descriptors
